

# 2024 Specialist Maths Units 1 and 2

## Orientation survey

Name \_\_\_\_\_

How are you feeling about starting the course?

What do you expect to be most challenging?

What are you most looking forward to?

Have you already completed any VCE Maths units? If yes, which ones and how have you gone with these?

What kind of courses or jobs are you interested in after you finish school? (Don't worry if you're not sure yet!)

What are your strengths in Maths? (These could be knowledge based or related to work habits etc.)

What is the number one thing you would benefit from improving in Maths? (Again, this could be knowledge based or related to work habits etc.)

What do you generally do if you get stuck working on something in Maths?

Is there anything else you'd like me to know right from the start?

Do you know any good Maths jokes?
